

COVID-19 SYMPTOM CHART

Have you had any of these symptoms develop within the last two weeks?

Employees shall conduct a self-screening prior to reporting to the worksite and report to their direct supervisor any possible COVID-19 symptoms:

One of the following:

- Cough
- Shortness of breath
- Difficulty breathing
- New loss of smell
- New loss of taste

OR **Two** or more of the following:

- Fever (measured or subjective)
- Chills
- Rigors (shaking or exaggerated shivering)
- Muscle aches
- Headache
- Sore throat
- Nausea or vomiting
- Diarrhea
- Fatigue
- Congestion or runny nose
- OR Temperature 100.4 degrees Fahrenheit or higher.

If yes, you may not enter the worksite.

VISITOR: If yes, please leave immediately and consider medical treatment.

EMPLOYEE: If yes, please leave immediately and contact your direct supervisor for further instruction in compliance with the Employee Tracking procedure. If you are not able to leave immediately, please isolate in a room away from others until your direct supervisors provides further instruction.
